Pre-Marital Counseling (note~a minimum of five hours is required):

These are possible alternatives to counseling with the pastor who is performing the ceremony if he/she is unavailable to do your counseling. You may use another Christian minister, use a Christian marriage and family counselor or possibly attend a weekend retreat to fulfill this requirement.

Possible weekend retreats include Engaged Encounter weekend (www.engagedencounter.com) or a New Cana weekend (contact your local Roman Catholic church) to meet this obligation. Contact other churches in your local area that may also offer special programs for engaged couples.
